

Portfolios for Interview

Certificate in the Principles of Art Therapy

Please bring along a small portfolio of your own art work (5 – 8 pieces) which will help us gain an understanding of your own involvement in your creative work at this point in time. These can be actual pieces or via digital media, slides, photographs.

Certificate in Arts & Group Facilitation

Please bring along a small portfolio of your art work (5 – 8 pieces) and/or work that you may have help facilitate e.g. workshop/project etc. which will help us gain an understanding of your own art practice or work that you have been involved in. These can be actual pieces or via digital media, slides, photographs.

MA in Art Therapy

Through the portfolio we are looking to see your connection to your creative process and for you to be able to demonstrate to us this relationship that you have in relation to themes and interests, particular mediums that you are drawn to, and how your creative involvement has and is engaging you.

15 – 20 pieces, can be actual pieces or via digital media, slides, photographs. If you are using slides etc please indicate sizes of pieces. Please also make sure you name is on the portfolio/work.

Sketch books, working journals can also be included.

At the interview you will be asked to speak about one particular image that you feel you have a particular connection to or represents/ reflects your particular interests at this point in time.
